Fly Nexus

DRONE INNOVATIONS

Fly Nexus Drones, a one-stop shop for all your unmanned aerial vehicle (UAV) and underwater vehicle (UUV) needs, was established in January 2024 under the leadership of Director Vemulapalli Nanda Nandana Phani. We are a passionate startup company located at ANITS IIC, PG Mess block, ANH Hospital Road, Sangivalasa, Visakhapatnam- 531162 (UDYAM Registration Number: UDYAM-AP-10-0054715), dedicated to providing innovative and customized solutions.

Our team understands the challenges in this industry and strives to deliver the best possible service, tailored to your specific requirements. We offer a comprehensive suite of services, including custom UAV and UUV design and manufacturing, drone services like aerial photography and videography, expert repair and maintenance for UAVs, high-precision 3D printing for creating custom parts, and a wide variety of electronic parts and accessories to support all your drone, UAV, UUV, and other electronics projects. Whether you're a seasoned professional or just starting out, Fly Nexus has everything you need to take your project to new heights (or depths!). Visit our website, Fly-nexus.com, to explore our services or contact us at flynexusdroneinnovations@gmail.com to discuss your specific requirements.
