

Infizar.in: Join Our Ecosystem

Founded in 2022, Infizar.in is a dynamic new startup poised to revolutionize the e-commerce landscape. Led by Jayesh Dantha, our founder and CEO, we're on a mission to redefine traditional delivery services, product creation, and technological advancement.

Located in the vibrant heart of Srinivasa Street, Marripalem, Visakhapatnam, Infizar.in is driven by a spirit of innovation and a commitment to pushing boundaries

Our startup is dedicated to create a network of autonomous unmanned aerial vehicles (UAVs) that revolutionize local deliveries. By harnessing cutting-edge technology, these drones promise unparalleled speed and accuracy, shaping the future of logistics.

Also, Infizar.in's ambition extends far beyond logistics. This dynamic startup serves as a platform for creators to showcase and sell their products online, fostering a vibrant community of innovation and entrepreneurship. Through this initiative, Infizar.in empowers individuals to bring their ideas to the global market, driving creativity and economic growth.

As a new startup, our focus is on engineering innovative products that enhance everyday life. The company aims to develop infizar's Exclusive Products to address pressing societal challenges and enhance quality of life. From sustainable technologies to life-improving inventions, Infizar.in is dedicated to pushing the boundaries of innovation for the betterment of society.

Among our innovative offerings are the Taser Ring and the Retractable Wallet. The Taser Ring combines style with self-defense, providing a discreet yet powerful tool for personal security. Meanwhile, our Retractable Wallet offers convenience and security with its compact design and retractable feature, ensuring your essentials are always within reach.

Additionally, Infizar.in provides cutting-edge 3D printing services, turning ideas into reality with precision and quality by simply providing us the necessary details or even a good rough sketch.
